How to join the GradPathways SmartSite:

Go to SmartSite.ucdavis.edu

- Login in using your UCD login ID and Kerberos passphrase

- Click on "Membership" on the left menu bar

- Click on "Joinable Sites" on the upper menu bar

- Put GradPathways in the search box

- When GradPathways comes up, click "join"

- Return to http://gradstudies.ucdavis.edu/gradpathways/ - you will now be able to click on any presentation and it will open for you.

Helpful Hint - you will need to login into SmartSite each time you return, but it is easiest to locate files from the individual GradPathways pages rather than SmartSite itself.
